Where, and how does Mayor join? I've been keeping her away from the scene and HMC, but I don't want media thinking she's absent. She wants to know where to be.

Meet at turn around at the space needle at EMP.

Mayor's team is trying to find you and under **3 People** format. Please send me details ASAP.

9:55 PM

Format is:
Mayor goes first for a high level comments
Tyrone Davis gives incident briefing and then he takes minimal questions .

9:58 PM

Should be short and focused only on key critical details. We need to make sure that folks know that information is still coming in and can change.
