Hey it's Shaun Hilton.

Feldmann says you have it
basically under control.

I believe I'm the only LT
tonight.

Wanted to see if you
needed anything.

Ok. **Sean** cover over the phone too.

It's up to you.

I hate doing those video conferences. I really do and I have to drop by Park 95 anyways so that's why I figured I would stop by and see you.

Sounds good. See you then.
